Dai-ichi life Holdings selected as one of the TIME's World's Most Sustainable Companies of 2025

Dai-ichi Life Holdings, Inc. (President and Group CEO: Tetsuya Kikuta; hereinafter “the Company”) hereby announces that it has been selected for inclusion in the World’s Most Sustainable Companies of 2025, conducted by TIME.

1. Overview of World's Most Sustainable Companies of 2025

The World's Most Sustainable Companies of 2025 is a ranking conducted jointly by TIME, a U.S. news media company, and Statista, a German statistical data company, which selects the top 500 most sustainable companies out of more than 5,000 companies. Of these, 39 are Japanese companies, and the Company was selected as the top company in the Banking, Insurance & Financial Services industry.

This ranking evaluates companies on more than 20 key performance indicators related to sustainability, such as sustainability commitment and transparency in disclosure.

2. The Dai-ichi Life Group’s initiatives relating to sustainability

Under our Group Purpose, “Partnering with you to build a brighter and more secure future”, which expresses the reason for our existence in society, we will alongside society and help build a brighter future. We believe that the key to achieving our purpose is a sustainable society, and we have identified four social issues as our “Core Materiality¹” which we should focus our efforts.

We will continue to deliver value that contributes to solving global environmental, regional, and social issues with the aim of realizing a sustainable society.

For more information on our initiatives, please refer to our Sustainability Report 2024 at the following URL.
